Subject: Superintendent Update February 18, 2022: UPDATED RIDOH COVID Protocols

Barrington Public Schools

Empowering All Students to Excel

Dear Community,

This afternoon we received an unexpected update from the Rhode Island Department of Health (RIDOH) regarding COVID protocols and masking. We appreciate the feedback our community have provided us and we ask for your continued patience as we develop a clear communication outlining changes to our current practices. We will work over the vacation week to provide you with an updated process for contact tracing, isolation, volunteering, mitigation procedures, and masking representing the new guidance.

Thank you.

Mike Messoro
