

# BARRINGTON PARENTS UNITED

## URGENT UPDATE

### **NO COURT HEARING ON TUESDAY!**

### **The Call To Action for May 31 in Superior Court is CANCELLED**

As we previously announced, our attorney in Southwell v McKee (the mask mandate lawsuit ) was working to file an emergency injunction to prevent Providence school district from mandating masks on kids in school yet again.

## **Winning!**

Providence Public School District (PPSD) and RIDE caved to the public pressure YOU put on and children will NOT be in masks in PPSD. \*\*\*The attorney cannot achieve what he's doing for us without the very real backing of the parents and citizens!\*\*\*

Read the stipulations [here](#), and spread the word - NO COURT ON TUESDAY!!!

Please forward this email to all your friends and neighbors who support mask choice for kids in school! It is YOUR effort that is pushing back and making a difference.

**Thank you!**
